Dear Sir,

With reference to the subject cited above, I am to inform you that the Brand approval has been granted after taking into consideration the Company profile and credential, test certificate, ISO certificate etc. with the following conditions:

1. The approval is for a period i.e. upto March 2027 from the date of issue of this order or upto the date of expiry of BIS certification (if applicable) whichever is earlier, performance of the product will be observed during this period and approval shall be withdrawn in case of poor performance of the product/ non-validation of BIS certificate even before the expiry of this approval.
2. The approval does not debar the Executive Engineer/ Field Engineers concerned of their responsibility of exercising necessary checks like quality, rates and performance of product while using the same shortcomings/ deficiencies of serious nature of this office.
3. The manufacturer plant of above stated Brand shall be inspected by any competent authority during the specified period, at any time to further authenticate the standard of the product.
4. During execution the representatives of APL Apollo will attend the site to redress the issue if any.
5. The performance of the manufacturer shall be observed by Field Engineers and report thereof be submitted to the approving authority for periodic review.

Yours Faithfully,

(Er. HOZHETO SHIKHU)
